

Retraction for McCarthy et al., “The Ax21 Protein Is a Cell-Cell Signal That Regulates Virulence in the Nosocomial Pathogen *Stenotrophomonas maltophilia*”

Yvonne McCarthy, J. Maxwell Dow, Robert P. Ryan

BIOMERIT Research Centre, Department of Microbiology, University College Cork, Cork, Ireland

Volume 193, no. 22, p. 6375–6378, 2011, <https://doi.org/10.1128/JB.05949-11>. There were errors in the construction of Fig. 2A and C, where the incorrect panels were used to represent K279a, K279a + AX21, *raxH* + AX21, and *ax21* (p0387Y22A). We apologize for these errors and retract this paper due to this data misrepresentation.
