

Correction for Luzader et al., “EutR Is a Direct Regulator of Genes That Contribute to Metabolism and Virulence in Enterohemorrhagic *Escherichia coli* O157:H7”

Deborah H. Luzader, David E. Clark, Laura A. Gonyar, Melissa M. Kendall

Department of Microbiology, Immunology, and Cancer Biology, University of Virginia School of Medicine, Charlottesville, Virginia, USA

Volume 195, no. 21, p. 4947–4953, 2013, <https://doi.org/10.1128/JB.00937-13>. Page 4949, Fig. 2A, right: We recently discovered that the *amp* panel is a duplicate of that in Fig. 3B. This was an error in final formatting and organizing of the figures for publication. The corrected panel should appear as shown below. We apologize for the inadvertent mistake and assure readers that the results of individual experiments and conclusions of the paper are not affected by the duplication.
